

Dear Students,

With great pleasure, I would like to welcome you all in my capacity as the Director of the Kuwait cultural office in Canada.

Your presence in Canada is a valuable learning experience that should be cherished. More importantly, making the most of your studies in Canada will allow you to effectively contribute to developing our country and ensuring its prominent status in the international community.

I truly hope that we all succeed in representing our beloved country Kuwait in an honorable manner and reflect its true values and principles as a civilized nation that encourages peace, tolerance and harmony.

Having spent most of my career as an academic at Kuwait University, I understand fully the challenges you may face as students. The cultural office will do its utmost to ensure that you overcome any hurdles along the way, so that you are able to successfully fulfill your academic requirements.

Once again, thank you and I genuinely wish each and every one a successful academic journey here in Canada.
